| <b>IMPORTANT NOTES</b>  |   |                   |                |              |
| Note 1  | Core curriculum requirements may be fulfilled with applicable transfer credit from another accredited institution. All transfer credit will be evaluated and assigned on an individual basis by the Office of Admissions.   |                   |                |              |
| Note 2  | Students may take equivalent course(s) through cross-registration with the University Center of Georgia or transient status but only with advance approval of the substitution by the Dean, School of Nursing or designee and subject to University policy on cross-registration, transient courses, and residency. |                   |                |              |
| Note 3  | Students must satisfy Georgia and U.S. History and Constitution Requirements. Successful completion of POLS 1101 and HIST (2111 or 2112) or CITZ 1101 meets these requirements. If applicable, a competency exam may be appropriate to satisfy this requirement.  |                   |                |              |
| Note 4  | Refer to University Catalog for additional information on academic and general requirements.  |                   |                |              |
| <b>Every effort is made to update information materials in a timely fashion, however a progressive program is undergoing constant change. Clayton State University reserves the right to revise information, requirements, regulations or financial charge at any time.</b> |   |                   |                |              |
